

## Sunnah of Eid Day

1. To rise early in the morning.
2. Take a full bath.
3. Clean the teeth.
4. Wear the best clothes that one has.
5. Wear perfume.
6. To eat something sweet like dates before leaving home.
7. Go to the Eid prayer location very early. (The Prophet used to offer Eid prayer in a central location instead of offering it in a mosque of a locality without any legitimate excuse).
8. The Prophet used to go to the Eid Prayer location by one route and will return through another route.
9. He used to go for Eid on foot.
10. He used to chant slowly on the way to the Eid prayer location the following words:  
"Allahu Akbar, Allahu Akbar, Laa ilaaha illallahu Wallahu Akbar, Allahu Akbar, Wa lillahil Hamd." (Translation: Allah is the greatest, He is the greatest. There is no god except Allah. He is the greatest. All praises and thanks are for Him)
11. The Prophet used to give Sadqa-e-Fitr (zakatul fitr) before the Eid day. (Giving just before Eid is fine, but against the spirit and its purpose. Ask your local mosque about how much and where to pay)
